The guest is equivalent to God

In India we have considered our guests equivalent to God.

To us, to serve our guests is to serve God. It is this thought that has had us revise the dates of ISC 2018, to accommodate your requests to avoid clash with another event in the Middle East. Considering your requests we are preponing the International Spice Conference 2018 to

4, 5, 6 & 7 February 2018.
